

RM of Oakview

Rural Municipality of Oakview POLICY AND PROCEDURE MANUAL		POLICY NO: 2026-5 (Amended 2016-4) (Amended 2021-9)
REFERENCE Roads	ADOPTED BY: Resolution # AMENDED BY: Resolution # 407 – 16 Resolution # 41 – 21 Resolution # 2026 – 458	
	Adopted Date: October 26, 2016 Amended Date: January 25, 2021	
TITLE: Municipal (Machinery) Non -All Season Roads Policy		Head of Council: B. Christie CAO: Mark Humphries

PURPOSE:

The purpose of the policy is to be a guideline for maintenance and repair, of Machinery Non-All Season roads at the request of ratepayers within the Rural Municipality of Oakview.

Maintenance – grading and snow plowing

Where a ratepayer within the Rural Municipality of Oakview has requested that a municipal road that is not ordinarily maintained as an all-season road by the Rural Municipality of Oakview. The road maintenance will be charged at the current private works policy rate to the ratepayer.

Repair – construction, gravelling

Where a ratepayer within the Rural Municipality of Oakview has requested that a municipal road that is not ordinarily maintained as an all-season road by the Rural Municipality of Oakview. The road repair costs will be looked at on an individual basis with regards to who will be responsible for the costs.

All requests for road maintenance and repairs need to be submitted in writing within a reasonable time line (within 30 days). Municipal staff will arrange a time to fulfill the requests within a reasonable timeframe, providing that there is money available in the financial plan, with municipal roads having priority. Work to be approved by Manager of Public Works.
